

Introducing..

Trivalent Group to a colleague could earn you up to \$1000!

The Client Referral Program

You know what Trivalent does for your business better than anyone. Many of you are already telling colleagues, friends, and business associates about our services and we want to thank you for it. That is why we created our partner referral program.

Q: When does it pay to be a Trivalent Client?

A: When you make an introduction!

Through our partner referral rewards program, you get up to \$1,000 for every referral who becomes a new Trivalent Managed Services Client. At a minimum, you could take home an iPod Touch, on us. See your account manager for full program details and qualifications.
